*Look! Who is coming to town?*

*Fr. Christopher Klusman*

*A Deaf priest from Archdiocese of Milwaukee.*

Fr. Christopher, Deaf since birth, is a diocesan priest of 7 years for the Archdiocese of Milwaukee in Wisconsin. Growing up, he was always a fan of *Star Wars* and movies, borrowing Jedi training to follow the Force (of the Holy Spirit) in his fight against the Dark Side. After graduating with an Education degree from the University of Wisconsin – Madison, he worked for a few more years before being called into the Seminary in 2005. He currently serves as Associate Director of Deaf Ministry, as well as Chaplain at St. Thomas More High School. He is an avid reader, moviegoer, and loves to travel.

## BRIEF “Jedi Training revisited” WORKSHOP DESCRIPTION

We will altogether explore the main question: *In our service, how does Jedi training help us remain strong with the Force (of the Holy Spirit)?* During that exploration, we will also look at the similarities our Catholic faith and ministerial roles have with the *Star Wars* universe. This workshop will be presented in ASL (American Sign Language with interpreted English voice-over)
