

Holy Week and Easter 2019

For Catholics and Christians, we are about to celebrate the most important events in the world's history - **the death and resurrection of Jesus Christ**. We call these events the Paschal Mystery. The celebration of these events takes place during the **Easter Triduum**. The Easter Triduum begins on Holy Thursday and ends on Easter Sunday. These days are the holiest of days. Plan to join in prayer and worship during the Easter Triduum.
