Dear ICDA Members,

In the name of the clergy, consecrated religious and lay faithful of the Archdiocese of Philadelphia, it is an honor to congratulate Chapter #8 of the International Catholic Deaf Association (ICDA) on its 70<sup>th</sup> Anniversary.

Reaching this historic milestone is a tribute to Father Anthony Russo, C.Ss.R who served as moderator of the ICDA for 45 years. His humble dedication and loving service is a testament to the deep love he had for you and his desire to bring each ICDA member closer to the heart of Jesus Christ.

I extend deep and prayerful gratitude to all members, benefactors, and supporters of ICDA for promoting spiritual, cultural, and social union among deaf and hard of hearing Catholics. I commend you for sharing the good news of Jesus and redeeming love with so many. You truly exemplify the spirit of missionary discipleship.

Father Russo as well as Father Stephen Landherr, C.Ss.R., who was the first moderator of the ICDA, often called the Blessed Virgin Mary, the Queen of the ICDA. In that spirit, my prayer is that Mary, the Queen of the ICDA be a guiding light and a comforting motherly presence to the ICDA in the years ahead. With her guidance, may the ICDA flourish in its good work and may you encounter Christ and lead others to encounter him within the Church.

Sincerely in Christ Jesus,

A handwritten signature in blue ink that reads "Nelson J. Pérez".

Dear Officers and Members of ICDA,

I am humbled once again by the goodness of God as I realized the I.C.D.A. now celebrates 70 years of service and evangelization of the Gospel. I am proud to know so many Officers and Members. As Christ says, *apart from God we can do nothing*, but with Him, nothing is impossible.

This celebration compels us to recall how we arrived at this incredible moment. Undoubtedly, this day exists because of the blessings God has poured upon good men and women like yourselves who have committed countless hours and resources to build community among the Deaf and share the richness of the Gospel. The Gospel tells us to sow the seed of faith, and let God do the watering...and so He has. 70 years of service and fellowship, meetings and events, is an achievement deserving of celebration and a witness to how powerful the Deaf Catholic Church can be. ICDA and the impact it's had on the Deaf community belongs primarily to the work and efforts of baptized men and women such as yourselves who, with confidence and perseverance built something from nothing. Would that more had the same magnanimity! And yet, as we celebrate the wonderful achievements the I.C.D.A. accomplished in God's name, we must pray and plan for the future. I pray God, who makes all things new, to continue to renew the faith and zeal of the Deaf Catholic community and inspire those younger than us to rise up and continue the mission you have so generously served all these years. For the Gospel never grows old, nor does the world ever cease to need to learn it.

Please know of my continued prayers for the ICDA and the honor I feel in my heart for being a small part in your big story! Here's to another 70 years!

Sincerely,

Father Seán Loomis

Dear ICDA Members,

As the I.C.D.A., Chapter #8, Philadelphia celebrates this milestone of its 70<sup>th</sup> Anniversary, it also honors the memory and dedication of Fr. Anthony Russo, CSsR. Fr. Russo served as moderator of the ICDA from 1967 up to 2012. During those 45 years, he went to countless meetings but more importantly he offered a faithful presence, enthusiastic support, dependable spiritual guidance and inspiration. He was always so proud of the faithfulness and good works of the ICDA members. He cherished each friendship and appreciated the loyalty and service contributed by each member.

At its founding, members of the ICDA- US and our local founding members who first initiated the charter for Chapter #8 had a strong desire to create an association wherein individuals who are Deaf can practice and live their Catholic faith in meaningful ways. Over the years, members of the ICDA have joined together to worship God through Masses in American Sign Language, prayer together and a variety of good works. Wonderful leaders have served the Association with enthusiasm, generosity and faithfulness.

As I look over my years as a member and spiritual moderator of the association, I am so grateful to each member for all you have taught me and most of all for your faithfulness and love. Your eagerness to serve and reflect the love of Jesus Christ to others inspires me. Your outreach to the Deaf community and support of the Deaf Apostolate is so needed and appreciated. The ICDA has been the backbone of the Catholic Deaf Community. May you continue to carry on this mission with eagerness to encourage new vital members to join you in this good work. At the time of an anniversary, it is good for us to look at our objective and goals and find in our hearts a decisiveness to commit ourselves anew to the mission of the ICDA, namely:

- To promote cultural, spiritual and social union among Deaf and hard of hearing Catholics;
- To promote the teachings and principles of the Catholic Church among Deaf and hard-of hearing people under the guidance of the bishops in union with the Holy Father, the Pope;
- To engage in charitable work pertaining to the educational, spiritual and moral development of Deaf and hard of hearing Catholic;
- To provide accurate information to the public, concerning Deaf and hard-of-hearing Catholic; and
- To recognize all people as brothers and sisters in Jesus Christ, our Savior.

For our faithful leaders of the past and each individual here today, who in both big and small ways have contributed to accomplishing these goals and all those who commit themselves to continuing the good work of the ICDA into the future, I thank you. I ask our loving God to bring to completion the good works he has begun in and through you and the International Catholic Deaf Association, Chapter #8.

Lovingly in Christ,
