Dear Director, Principal, Deaf Educators, Teachers and Guidance Counselors,

We are thrilled to once again host **CAMP OVERBROOK: IN SIGN 2023**, an 8-day in person summer day camp for children who are Deaf and Hard of Hearing who use sign language. The dates are Tuesday, June 20th to Thursday, June, 29, 2023. **CAMP OVERBROOK: IN SIGN 2023**, will be held at Saint Joseph's University, University City Campus, 600 S 43rd Street, Philadelphia, PA 19104. We are appreciative of the Maguire Foundation, Saint Joseph's University as well as other local foundations for supporting this camp. The Deaf Apostolate of the Archdiocese of Philadelphia is the host of the camp.

CAMP OVERBROOK: IN SIGN 2023 provides a learning environment that includes language and character development, arts & crafts, sports, swimming, drama, and cultural enrichment. Deaf story tellers, performers, professionals and other role models will be part of the afternoon cultural events each day. The camp brochure will be sent to families with children who previously attended camp. Camp brochures are included in this mailing and can be accessed on line. Please, pass them on to interested parents/guardians. All children who are Deaf or Hard of Hearing are welcome to attend this camp. The language of camp is American Sign Language. Children just acquiring ASL are accommodated and seem to thrive in this language rich environment. Our camp leaders are willing to focus on IEP goals related to language, socialization, learning strategies and other specific goals related to language development during these two weeks. Children who are Deaf/Hard of Hearing and may have additional disabilities or behavior needs have been successful at camp with one-to-one support, Therapeutic Staff Support (TSS) or Personal Care Assistant (PCA) provided by the Local Educational Agency (LEA) or Office of Medical Assistance Programs (OMAP).

If you send home announcements of summer opportunities please include **CAMP OVERBROOK: IN SIGN 2023**.
